Seeding

There will no seeding of Teams, Pairs or single players.

Match TIE-BREAK rule

All Matches in the Baltic Cup are subject to the Match Tie-break rule if they reach the following position:

- If the score reaches 3-3 in best of 7 matches
- If the score reaches 4-4 in best of 9 matches
- If the score reaches 8-8 in Four Person Team match

In all matches where a tie-break leg must be played the following procedures shall be followed.

1. In Singles matches the player who started the match shall throw for the bull first. A Dart which enters the Bull or "25" sector shall be removed before the opposing player takes his/her throw. In the event of equal darts the throw shall be retaken, in the reverse order, until a decision is reached. Any dart which does not remain in the board shall be re-thrown immediately and before the opponent takes his/her throw.
2. In Pairs matches the first player named on the match sheet for each pair shall throw for the Bull. The player from the Pair which started the match shall throw first. A Dart which enters the Bull or "25" sector shall be removed before the opposing player takes his/her throw. In the event of equal darts the throw shall be retaken, in the reverse order by same players, until a decision is reached. Any dart which does not remain in the board shall be re-thrown immediately.
3. In Team matches a nominated player from each team shall throw for the Bull to decide the order of play. The nominated player from the team which started the match shall throw first. A Dart which enters the Bull or "25" sector shall be removed before the opposing player takes his/her throw. In the event of equal darts the throw shall be retaken, in the reverse order, until a decision is reached. When a decision has been reached the nominated player, who threw for the Bull must contest the Tie-break leg. Any dart which does not remain in the board shall be re-thrown immediately.

The group TIE-BREAK rule

If two teams have the same number of points the following criteria are used to separate them:

1. Leg difference
2. Result of the match played between the two tied teams.

If three teams are tied on the same number of points, the leg differences are the same, and each team has won one of the three matches involving those three teams then a tie-break shall be played.

In the Tie-break, each tied team shall select one player to play the tie-break. All players shall play on one board. The throwing order shall be established by a Bull throw. The Bull throw shall determine the throwing order 1: 2: 3 for the first leg. The throwing order for the second leg shall then be 2: 3:1 and the third leg 3: 1: 2. The fourth and final leg shall be 1: 2: 3. The first player/team to win two (2) legs will be declared the winner of the tie-break. Lots will be drawn to decide the order of the throw for the Bull.

In the case of a three-way group tie where two teams shall advance the tie-break shall be played as stated above. The two remaining teams will play a single leg, using the same players, to decide which team advances. The start will be decided by a Bull throw. The order of throw for the Bull will be decided by the toss of a coin.

Points allocation

	Teams	Pairs	Singles
1 st	58	42	28
2 nd	38	30	21

Joint 5 th	10	12	10
Joint 9 th	4	6	6
Joint 17 th	2	2	3
Joint 33 rd	1		1

In all events the points awarded for positions obtained in each event are only awarded to players, pairs or teams which have won at least one match.
